***Customized Club Connection Experience**

This opportunity brings your business directly into our Clubs. Examples include hosting a career day for our teens, teaching a lesson related to your industry, or donating fun activities or snacks for Club members. The Customized Club Connection Experience is available at all partnership levels.

****Win-Win-Win Partner Opportunity**

This unique opportunity is designed to benefit the partner, the kids, and the BGCLC community. It's a way to enhance an already great opportunity so everyone wins.
